

JOB OFFER

We are looking for teachers!

We believe that having fun while learning is very important for children. The teachers play an important role in this by having a lot of freedom in their role as teacher. That is why we are looking for energetic, ambitious and enthusiastic teachers to join our school.

Job Offer at Colegio Intellecto, Santiago, Dominican Republic

School description:

Colegio Intellecto is an elementary, middle and high school located in Santiago, Dominican Republic. It aims to inspire students to discover their capabilities and talents, so they can make the right choices and become excellent citizens that can contribute to their society. The school believes in Howard Gardner's "Multiple Intelligences" philosophy, where each individual can develop a combination of intelligences, which is also complemented with the methodology of "Project Based Learning" (PBL), in which the student is the main character of his own learning process. The goal is to motivate students to find solutions to different problems scenarios, thus achieving significant learning.

Our educational center goes from elementary school (1st - 6th), middle school (7th- 8th) through high school, complying with the regulatory curriculum of the Ministry of Education for these levels and is complemented with the following characteristics:

Philosophy based on Howard Gardner's Theory of Multiple Intelligences.

- Varied lessons for the same topic using the different intelligences.
- Constant evaluation of the activities.

Project Based Learning Methodology (PBL).

- Projects
- Workshops
- Presentation to the community

Singapore Math: methodology for teaching mathematics.

- It is taught in 3 steps (Concrete, Pictorial and Abstract)

20 students per classroom.

Technology: use of computer technology from 3rd grade on.

- Projector and computers.
- G Suit for Education
- Each student from 3rd grade on has a Chrome Book laptop.

Languages:

- Intensive English program by level (5 periods per week).
- French program with "Oui, Oui Institute".

Continuous training for teaching staff to improve practices in the classroom through:

- Weekly meetings for case studies.
- Follow-up weekly class planning.

Compliance with the rules and the procedures of the school, creating an environment with high levels of respect, discipline and courtesy.

Job Title:

English as a Second Language Teacher.

Responsibilities:

- Creating weekly lesson plans for each class. Each teacher has an assistant teacher.
- Use of creativity and enthusiasm to create dynamic plans to engage students in their learning process.
- Book and worksheet corrections.
- Assist to teachers' meetings twice a week.

Schedule

Part time Job.

Mondays and Thursdays: 7:00 am - 1:45 pm.

Tuesdays, Wednesdays and Fridays: 7:30 a.m. - 1:45 pm

Monthly salary

- RD\$ 28,000 Dominican pesos.
- Bonus: RD\$ 2,000 (This depends on the fulfillment of the responsibilities each month).

This is equal to approximately US\$ 600.00/Month. Please consider that the cost of living in Dominican Republic is considerably lower (around US150.00/Months).

Direct supervisor

Lic. Liliana Perelló

Qualities that candidates should have:

- Is always respectful to students and co-workers, both verbally and physically.
- Always Uses appropriate language and tone.
- Honest.
- Complies with the work schedule.
- Maintains the basic rules of personal care and hygiene.
- Good image (use of uniform provided by the school).
- Is responsible delivering his or her lesson plans on time.
- Knows how to use technology appropriately.
- Is creative.

Qualifications:

- Students of Education or related careers.
- Bachelor's degree or College student in progress of education or related careers.
- In case of not being a student of the Education career, must be certified:
 - ✓ TEFL (Teaching English as a Foreign Language)
 - ✓ TESL (Teaching English as a Second Language)
 - ✓ TESOL (Teaching English to Speakers of Other Languages).
- Knowledge of Technology.
 - ✓ Use of projectors, and computer programs.

Years of experience

No experience needed (the school will provide the necessary training and constant support to teachers).

Observations

We have a young and updated staff in educational strategies. We will train the new staff with our class methodology to develop the best class strategies.
