# SPANISH IMMERSION AND ENGLISH TEACHING ABROAD!

Dominext Inter-Exchange offers a unique way to gain professional work experience abroad. Our program focuses on giving you the opportunity to receive a high amount of hands-on paid teaching practice, develop your English and Spanish skills and add value to your resume.

## Who qualifies?

This program is open to anyone whose native language is English and is interested in learning or improving the Spanish language skills. To be part of this cultural and educational work experience abroad, the candidate must be willing to get paid teaching basic English to children and help them develop a passion for this language, must be able to adapt to other cultures and lifestyles, and must have a high sense of responsibility, creativity and cooperation.

- **No previous work experience is required!**
- **You do not need to speak Spanish to be accepted.**

You will receive special consideration if you have any certifications such as: TEFL, TESL OR TESOL, or if you are a Student in progress or a Professional in Education/Linguistic or related careers.

## Your placement:

This program involves working in a private bilingual school of the Dominican Republic where you will be able to share and collaborate with professionals in the area. All positions will be available in the most important cities of this Caribbean country and the participants will have enough free time to carry out activities of their interest, explore the country, or even to take low cost Spanish class if desired.

As an English teacher, you would be responsible for engaging and helping students achieve their English-language goals while sharing your enthusiasm for learning in a fun environment. You can expect to gain in-depth knowledge about the education system in the Dominican Republic and see first-hand the value your background and abilities can bring to interactions with your co-workers, students and their parents. In addition, all candidates will have the opportunity to participate in a variety of free training courses and obtain valuable certifications as part of the regular training that local teachers receive throughout the year.

## Program Highlights

- Previous work experience is not required, and you do not need to speak Spanish.
- We offer paid hands-on training opportunities. The money you earned can be used to recoup your investment or to enrich your international experience.
- Low housing, transportation and meal cost.
- One-week intensive training prior to the start of teaching classes and ongoing training thereafter.
- All course teaching materials and textbooks will be provided. You will impact a generation of children, teens, and adults.
- Plenty of opportunities to travel around the country to amazing destinations.
- We provide Visa assistance. This is a quick and easy process.
- Airport pick up.
- Full Support from our staff.

## Additional Requirements

- Must have a valid passport and must apply for a Dominican student Visa. This is a quick and easy process, with a typical turnaround of about 10-15 days (though this can vary).
- Must have a comprehensive health and accident insurance.
- Copy of your resume and must sign the Student Agreements provided.
- Must be energetic, self-motivated, responsible, and open to new ideas.
- Must be in good health condition and have no criminal record.
- You will be required to assist to an orientation meeting in the Dominican Republic to receive important information about your teaching job, the city, daily meals, transportation, etc.

## Why we recommend taking advantage of this opportunity abroad?

- **You will gain public speaking confidence.** Many students and recent graduates are terrified of public speaking. With this program you will have a chance to improve your overall communication skills to stand out in the crowded job market.
- **You will get valuable international work experience to build your resume.** In the globalized economy of the 21st century, having international work experience such as Teaching English Abroad is like gold on your resume. You will prove to future employers your ability to adapt to a new environment, work across cultural & linguistic barriers, and to stretch yourself beyond your "comfort zone". You will also have a great opportunity to learn a foreign language.
- **You will develop a multitude of soft skills.** Creative thinking, flexibility, time management, patience and conflict resolution are just a few honorable mentions.
- **You will be able to improve your Spanish Knowledge**  
Every participant will be able to put into practice his/her knowledge of the Spanish language and take up to 3 hours of low-cost weekly class.
- **You will gain cultural perspective.** This opportunity will immerse you in a completely different culture and lifestyle. This translates to a deeper understanding of different people.
- **Unforgettable memories.** With intense experiences come intense friendships and memories.
- **You deserve a break!** Teaching English abroad gives you the chance to experience true personal growth outside of the classroom.
